Oh so I'm suddenly
unblocked? Lol.

Stephen? Last I heard from
Mikey he left conflict so I have
no idea what you're talking
about.

That said, the money thing is
interesting. I'd like to hear the
details of that. I've been burned
by people before and would
never want to associate with
criminals. I will say on a personal
note I hope everything is ok with
his family- I've got kids and a
wife too.

I blocked you because I have no
interest in arguing. A civil
debate is cool but not where
personal insults are being used.

I've never met you in person.
Mike LaCorte speaks highly of
you.

My latest update where I
endorsed 2 conservative

I know DJ well. Great dude. As is mike.

I thought you said he owed YOU money? I have no interest in talking to other people about it if the dude owes you directly. I might not have a relationship with stephen but I sure don't want to go slander him either by asking accusatory questions to other people.

Call them and ask for Stephen's military records. You'll be able to see who is lying and who is telling the truth pretty easily.
